

## Suggesting an app for inclusion on myhealthapp.net

If you are a developer, patient/disability/carer group or an empowered citizen and would like to suggest a health app for inclusion on myhealthapps.net click on the 'Submit app' tab at the top of very webpage.

To suggest an app for review

- if you are a patient/disability group or empowered consumer, please click on the link for a form in a language you can use
- if you are a developer, please click on the developer link.

We will look at the information and consider whether the app can be included on myhealthapps.net
